1. Services NOT reflected on this authorization grid DO NOT require authorization.
2. All services must be medically necessary, subject to CMS regulations.
3. Payment is based on benefits in effect at the time of service, member eligibility and medical necessity.
4. HMO/SNP members require a prior authorization for ALL out-of-network services.
5. PPO Plans do NOT require a prior authorization for out-of-network services.
6. Retroactive requests (services already rendered) need to be submitted as a claim.
7. Prior authorization is NOT required for emergent inpatient admission; however, authorization of an inpatient stay is required prior to claim payment. Please submit a notification to allow for authorization entry and concurrent review.
8. Codes may not be categorized in an area that is familiar so please search the entire document.
9. Emergent/Urgent Services do not require prior authorization, please make sure to follow appropriate billing practices to indicate emergency/urgent if applicable.
